

Cycling - Track

(Morning qualifying sessions)

Venue: Velodrome - Olympic Park

Dates: Saturday 4 August to
Tuesday 7 August 2012

Explosive, fast and thrilling, Track Cycling combines speed, strength and stamina along with subtle skill and tactics under immense pressure.

Track cyclists race anti-clockwise around a banked, 250m indoor track. Races are contested both individually and in teams, against the clock and head to head. Team GB will hope to be as dominant on the track as they were at the last Olympic Games, when they took home seven of the 10 gold medals available.

Situated in the Olympic Park and purpose-built for the Games, the Velodrome will host all of the Olympic Track Cycling events in 2012, offering the very latest in stadia and track technology and innovation. Opportunities to witness some of Britain's best hopes for Olympic gold will be limited in this intimate arena.

As the exclusive on-site hospitality provider, Prestige Ticketing will offer some of the best seats in the Velodrome along with unrivalled hospitality in its dedicated facility in the Olympic Park, promising an unforgettable experience.
