

Handball

Venue: Basketball Arena - Olympic Park
(Semi-finals and finals)

Dates: Friday 10 August to Sunday 12 August 2012

Speed, skill and stamina are key attributes for competitors playing Handball, one of the most popular Olympic sports. Handball features elements from both Football and Basketball – but it's probably older than both, with references to the sport dating back to ancient Greece. Field Handball first appeared at the Olympic Games in 1936, with the indoor version of the sport making its debut at Munich in 1972. Women's Handball featured for the first time at Montreal in 1976.

The latter rounds of the tournament will be played within the Olympic Park in the state-of-the-art Basketball Arena, creating a special buzz and atmosphere around a sport that is rapidly growing in popularity in the UK.

For all Olympic Handball matches Prestige Ticketing will offer the best and only on-site hospitality facility, getting you and your guests close to the action.
